\*\* Your consignor's number is the **first** letter of your last name, plus the last four digits of your home phone number. For example, the "church lady's" consignor's number would be F-6441, for "Mrs. Fairview" at 279-6441. \*\*

Place your clothing, cleaned & pressed on hangers with the hook facing left from the front of the garment. Please use the provided pricing tags on all items, using the procedure outlined below. Price items in \$1.00 increments. Fasten the card with a safety pin to the top right side of the front of the garment when facing you. Please have them arranged by size and gender for drop-off. **We ask that you bring your items in a large Rubbermaid container (no lid) with your consignor number prominently displayed on it.** This makes it easier for us to return your unsold items to you. You may bring your Consignor's Agreement with you to drop-off.
