

Son Servants is a ministry based out of Chattanooga, TN and is a part of Youth Conference Ministry who also leads **The Great Escape and Fun in the Son**. Son Servants hosts week long mission trips for youth around the country and world. They provide leaders and partner with local missions to provide work, programming, quiet time, workgroups, food, housing, and everything we need for the week. Carter has been traveling with Son Servants for 16 years. The **Ministry Partner** in Chattanooga is Widow's Harvest. Chattanooga is one of Carter's favorite trips!

Since its beginning in 1982, Son Servants has provided opportunities for youth and adults to experience brief mission trips, both in and out of the United States. These experiences are often the catalyst for positive change in the lives of participants. They often stimulate them to consider their relationship with Christ, as well as their responsibility to others as a follower of Christ. The high calling to which Jesus directed us cannot be experienced more vividly than in the hands-on setting of a mission project.
